Provincial legislation does not allow schools to charge a mandatory activity fee for the items below. Our PAC and staff believe these programs and activities are important for our students and are requesting parents continue to pay these fees so that these programs and activities can continue. Our ability to provide these programs will be dependent on the response from parents. **No student will be denied access to a school sponsored program/activity for financial reasons. If circumstances do not permit payment at this point, please contact Mr. Ellis, principal.**
